### **Recommended Camping Gear**

We have prepared an extensive list of camping gear for our guests. If it did not accompany this sheet, please let us know. It covers the type of personal effects (sleeping bags, sleeping pads, rain gear, boots, outer wear, etc) that you will need on your trip.

### **Montana Fishing Licenses**

Licenses are available to non-residents either on-line or over the counter when you arrive in Montana. Prices are subject to change per the Montana Fish and Game Department up to January 2019. Detailed fishing information on seasons and pricing can be found at <http://fwp.mt.gov/fishing/license/>

- Two-day fishing license: \$50
- 10-day fishing license: \$81
- Season fishing license: \$111

### **Wilderness Fly Fishing**

Fly-fishing on Montana's wilderness headwaters is a remarkable experience. The fish are abundant and not nearly as "educated" on the finer points of food selection. As such, it makes for a wonderful opportunity to fish wild waters all day and rarely see anyone outside of your group. We have assembled more detailed fishing gear recommendations for those interested in this amazing fishing trip experience and if it is not with this sheet please ask for it. It includes ideas such as fishing tackle, waders, vests, lures, flies, and other important aspects for a great fishing experience.

### **Summer Packtrip Schedule**

The summer trips schedule varies from year to year. We have our 2019 schedule drafted and it is included with this sheet. It is subject to change as the trips fill and we get the occasional special request for dates, etc. Once you've done your diligence, please reach out so we can confirm your trip and dates as soon as possible to ensure it lines up with your excursion to our great state.

### **A Final Note**

A Montana summer packtrip adventure is a very special event. We know how challenging it can be for our guests to pull everyone together. Significant resources and time are required to plan a high quality summer trip. We highly recommend going with a reputable outfitter. Here at A Lazy H, we have been providing the highest quality summer trips since the early 1920s. We look forward to having you join us this summer for a truly remarkable adventure.
