Black Bear Hunting

Fall black bear hunting can be done out of our early season back-country camps and are no extra charge. The bear licenses can be purchased online anytime up until the day before your hunt starts. The link to the bear licenses is the same as the on-line application for a combination elk/deer tag at <https://app.mt.gov/Als/Index> In order to purchase a tag the individual hunter must pass an on-line black bear/grizzly bear identification test at the following website: <http://fwp.mt.gov/education/hunter/bearID/default.html>
