Deposits

We require a 33% deposit to confirm a summer packtrip. Our deposit policy is below:

- Deposit refunds are solely at the discretion of A Lazy H. Due to the staffing, up-front governmental agency fees, and other expenses incurred in advance of trip departure, in most all cases deposits are not refundable. We encourage trip insurance through a trusted associate at: <https://www.montanaoutfitters.org/travelersinsurance/>
- We accept personal checks, ACH payment, and credit cards.

Confirmation Process

Your trip is confirmed as soon as you have notified us of the group size, trip dates, itinerary and we have received the confirmation form. The confirmation form will be sent to you upon your request of a specific trip, and will include information about you and your group (if applicable). We will then hold the trip for you for a reasonable time until we receive the deposit payments.

Wilderness Fly Fishing

Fly-fishing on Montana's wilderness headwaters is a remarkable experience. The fish are abundant and not nearly as "educated" on the finer points of food selection. As such, it makes for a wonderful opportunity to fish wild waters all day and rarely see anyone outside of your group. We provide detailed fishing gear recommendations for those interested in this amazing fishing trip experience.

Summer Packtrip Schedule

The summer trips schedule is included separately. It is subject to change as the trips fill, so please confirm as soon as possible that the trip you are interested in is still available.
